**Introducing Great Outdoor Incentives'
Costa Rica Fishing Adventure**

“Best place I have ever been!”

George B. Massialas

VP Sales - www.clearchanneloutdoor.com

Your force of anglers will head to the warm tropical breezes and beautiful blue waters off the Pacific coast of Costa Rica. The trip will be an unforgettable experience for many reasons - the friendly Costa Rican people, the luxurious accommodations of Los Suenos, the fresh seafood, the camaraderie among the fishermen, and most importantly, the tenacious Pacific marlin and sailfish!

We are looking forward to meeting and escorting you on this trip. Our guide will be Dr. Alfredo Lopez, a native Costa Rican and owner of a tour company specializing in sport fishing, adventure trips, and eco-tours.

We certainly hope that all of you are excited about the Costa Rica Fishing Adventure. We will do everything in our power to see that this trip provides you with many wonderful memories, as well as a lifetime supply of fish stories... all of them true!

“We don’t believe in one size fits all. Each group requires some degree of customization in order to exceed expectations...that’s what we are all about.”

Let us customize your adventure.

Here's One Of Our Most Popular Costa Rican Adventures!

Day 1

Upon arrival at the San Jose airport, Eric Larson, GOI tour director, will greet your group and guide them throughout the duration of the program.

A private shuttle will transfer us from the airport to Los Sueños Marriott Ocean & Golf Resort. The scenic 1-1/2 hour ride offers a great opportunity to enjoy the countryside through rolling hills and picturesque small towns, complete with coffee plantations and beautiful vistas of the ocean. The highlight will be a brief stop at the Tarcales River to view the crocodiles before arriving at the coast.

Upon check-in, we will have the rest of the afternoon to become familiar with the resort amenities including the world-class 200-slip marina, 18-hole championship golf course, casino and spa. <http://www.lossuenosresort.com/marina.htm> An open bar, including top-shelf brands, locally brewed Costa Rican beers and Cuban cigars will be available throughout the duration of the program.

Tonight the group's personal chef will prepare a gourmet meal to be served at the hospitality villa. Following dinner, evening activities include lounging by the pool & hot tub, a visit to the casino, or a short drive to nearby Jaco Beach for a taste of the local nightlife. The choice is yours!

Day 2

Rise and shine for a satisfying breakfast before we head out into the beautiful blue Pacific waters out of Los Sueños for a full day of angling for marlin, sailfish, dorado, tuna and other species of sport fish. Just for the fun of it, we will hold a tournament that's sure to bring out the competitor in each of us.

Once again, poolside beverages, Cuban cigars, light hors d'oeuvres and another satisfying meal will follow the awarding of tournament prizes to all the lucky winners.

Day 3

Today's game plan depends on the activity you've selected. So enjoy another hearty breakfast and then it's time to experience one of the following activities: Your choices include the following:

- **Round of golf on the challenging 18-hole Ted Robinson-designed championship golf course**
- **Horseback riding on the beach**
- **An exhilarating, zipline canopy tour**
- **A relaxing visit to Marriott's Poseidon Fitness & Spa.**

Meanwhile, Clifford your personal chef will be preparing a gourmet meal to be served by the pool at the private residence. After dinner, the rest of the evening is yours to do as you please. Possibilities include the Marriott's Casino, the Marina Club or maybe a quick ride into Jaco Beach for a little taste of the Costa Rican nightlife.

Day 4

Today we say farewell to Los Suenos and Costa Rica, so pack your bags and enjoy one last leisurely breakfast at the residence before departing for San Jose and the airport to return home.
